WORK EXPERIENCES

HAPPY   2022 - 2023
AS WEB DEVELOPER

- **About Project :** it is a online retail system website. where manage Dealer, Retailer, SR, Delivery man, Product.
- **My role :** I am enter as Designer + Developer. (Full Time) Remote + Office
- **Process :** I plan to divide the project into three phases:
  Phase 1: Focus on basic design and initial development. This phase will lay the foundation of the project.

  Phase 2: Enhance functionality and incorporate new ideas. We'll bring a designer on board to refine the user interface, while I concentrate on backend development.

  Phase 3: Redesign and expand the entire website. We'll hire two additional backend developers, allowing us to divide the backend into three distinct sections. During this phase, I will oversee the entire admin and management sections to ensure smooth operation and integration.
